

NOSSAYU, S.L.U., (hereinafter, CHEAPFY), is a company made up of personnel with extensive and consolidated experience in the sale of hardware and software.

Our mission is to take advantage of our experience, knowledge and resources to provide our customers with products that continually meet their needs and expectations, while achieving an appropriate professional and human environment.

CHEAPFY, through this policy, constitutes and assumes the following principles:

- 📁 We comply with the requirements established by the regulations applicable to our sector, and other requirements derived from the needs and expectations of our customers and other interested parties.
- 📁 We ensure the continuous improvement of our Quality Management System based on the ISO 9001:2015 standard.
- 📁 We are committed to ensuring that all staff are trained and motivated to meet the needs of our customers, providing the ongoing training necessary to remain a highly qualified team.
- 📁 We will ensure that this policy is communicated and understood within the organisation and that it is reviewed for its continuing relevance to the context of the organisation..

CHEAPFY's Management is involved in continuous improvement, with the establishment of a reference framework to approve and review the annual quality objectives and periodically evaluates the Quality Management System implemented, using, among other tools, performance indicators and internal audits.

This policy is made known to all our employees, suppliers, subcontractors and customers and is available to the general public.
